“ I was saddened to hear of the news of your loss. You always seem to be a happy child growing up I can remember as far back as you being around five years old when I came into the family. It was a pleasure watching you grow into the responsible adult and I'm glad you stopped to see me and Aunt Joyce a few weeks ago to show us your truck I know you were so proud of that ford truck something you always wanted. RIP Mitchell You will never be forgotten! Uncle Gary
